

University of Calabria

Department of Economics, Statistics and Finance

“Giovanni Anania”

How to get to the University of Calabria

By car

If you are travelling by car, take the motorway A2 - Salerno-Reggio Calabria, exit at Rende-Cosenza Nord, then turn left and follow road signs for the University of Calabria.

By train

The nearest station is Castiglione Cosentino. For timetable and ticket information visit: www.trenitalia.com. If you are travelling on “Intercity” or “Freccia” trains, get off at the station of Paola and take a local train to Castiglione Cosentino Station or book the “Navetta Top Class”, “Navetta al Volo”, “Navetta in Viaggio” shuttles. Additionally, the SIE -2017 Local Committee has arranged for a rapid connection system between Paola station and the University of Calabria (<http://booking.topclassturismo.com/it/client/site/m16782-2017-58-rsa-universit-della-calabria.htm>). If you are travelling on other trains, make sure that they arrive directly at the Castiglione Cosentino Station, with no need to change train at Paola; otherwise, get off at Paola station and take another train to Castiglione Cosentino Station or book the shuttle.

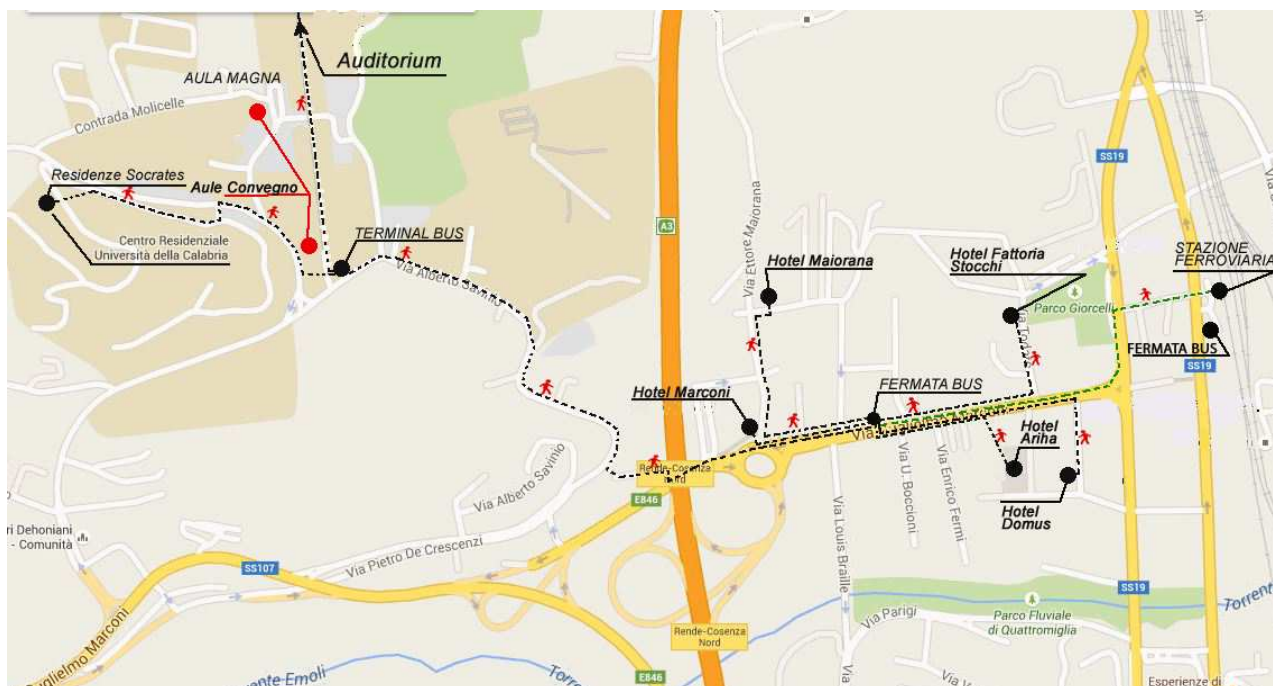

From Castiglione Cosentino station the hotels can easily be reached either walking or catching bus #138. The bus stop is in front of the Castiglione Cosentino Station, to the left.

By air

The nearest Airport is Lamezia Terme (SUF) Airport (73 Km from University). To reach the University from the Airport you can take the “Navetta Top Class”, “Navetta al Volo”, “Navetta in Viaggio”. They provide a door-to-door service, and can take you directly to the Hotels or the University. Discounted fares are available for groups or young people. They require advanced booking (see the websites above for details). Booking must be made at least one day in advance. Additionally, the SIE 2017 Local Committee has arranged for a rapid connection system between SUF Airport to UNICAL (<http://booking.topclassturismo.com/it/client/site/m16782-2017-58-rsa-universit-della-calabria.htm>).

For Alitalia flights information please visit the following Web Site: www.alitalia.com.
